To

- All State Principal Secretaries/ Secretaries of States/UTs dealing Skill Development Program
- All State/UTs Commissioners/ Director, Vocational Training / Skill Development

Subject: Normative Training Fee chargeable by Private ITIs-reg

Sir/Madam,

This is in continuation of letter of even no. dated 29th December, 2014 wherein normative training fee chargeable by private ITIs was communicated by this office of DGT to all States/UTs department dealing with ITIs.

2. A representation was received by the DGT on revision of fee structure for private ITIs. Suggestions were invited from States/UTs on training fee being currently charged in Government and Private ITIs.

3. A virtual meeting with State/UT Directorates dealing with ITIs /vocational training was held on 05th April, 2022 to take a view on the suggestions received from the States/UTs and to review the normative fee chargeable by private ITIs. There was a consensus on the need of having a normative fee structure for guidance of the States/UTs and also to secure adequate revenue to deliver training as per DGT standards.

4. During this meeting, a comparative statement of normative fee structure was shared which is based on the calculation as per @7% annual escalation w.e.f 2016 on the normative fee fixed in 2014 along with revision as per the Consumer Price Index (CPI) of India.

5. After detailed discussion, following normative fee structure for private ITIs was unanimously agreed in the meeting: -

- (i). Normative training fee shall be categorised under Engineering and Non-engineering group only. The training fee structure for Rural areas shall be same as Urban areas for encouraging and enhancing the number of ITIs in Rural areas.
- (ii). A uniform escalation of 5% per annum will be given starting from the year 2024.
- (iii). Review of fee structure shall be taken after five years.

Fees Norms:

Sl. No.	Category of trades	Annual Fee per trainee under Craftsmen Training Scheme
1.	Engineering	Rs. 26,000
2.	Non-Engineering	Rs. 21,200

6. It was informed that above normative training fee for private ITIs assumes that private ITIs shall ensure maintenance of reasonable quality in imparting training in the private ITIs, which the States/UTs should insist upon. It was further clarified that the respective States/UTs may fix their own norms, if there is adequate justification according to local requirements.

7. You are, therefore, requested to take further necessary action in your State/UT.

Yours Sincerely

(Atul Kumar Tiwari)

Director General/AS, DGT
